

INDUSTRIAL WELDING TECHNOLOGY

The COS welding department has the capability to deliver a wide range of trainings for the welding and manufacturing industries. Our modern welding facility is equipped with state of the art equipment. Our Certified Welding Inspector (CWI) training staff has many years of industrial experience as well has a solid background in education and training. It is this valuable combination of industrial experience and education strength that allows College of the Sequoias to deliver the best welding training in the central valley.

Brief Class Outline

- SMAW, GMAW, FCAW, GTAW basic to advanced welding skills training
- Thermal Cutting Processes
- Metal Fabrication Processes
- Welding Quality Control
- Welder Qualification Practices and Testing
